

Hooray!!! It's Tea-Time Again ...

We are delighted to resume table service in our Tea Room! We have missed you, and we look forward to welcoming you back inside again. However, in order to comply with current state requirements, please note the following:

- Our seating capacity must be reduced by 50%, with tables at least 6 feet apart to ensure social distancing between tables. This means:
 - We can use only 4 of our 7 seven tables.
 - We can have **no more than 13 guests inside** at one time.
 - We **cannot seat large parties together**; our tables are configured only for 2 to 4 guests. If you have 5 or more people in your party, you will be seated at separate tables.
- Due to limited seating, **we strongly recommend advance reservations**; we will try to accommodate walk-in diners if space and scheduling allows.
- For now, we will also **continue to offer carry-out and curbside service**, with advance reservations requested, for those who prefer this over dining-in.

In addition:

- To the extent possible in our small space, customers should try to follow social-distancing guidelines when moving around the shop.
- Per Governor's order, customers **must wear masks or face coverings** when entering, exiting, or moving around inside the shop (but not when sitting at your table to eat). Failure to comply puts us at risk of being closed down.
- **Hand sanitizer** will be available at the front desk and in the restroom; please feel free to use it.
- Then, **feel free to look at and handle the merchandise** in our shelves and cabinets or, if you prefer, just ask us to assist you.

Finally ...

And most importantly ... **THANK YOU** for your support and understanding during these challenging times. You have been there for us; now we're here for you!
